Subject: Partnership Proposal for Digital healthcare services from **LifePlus Bangladesh Limited**.

Dear Sir,

LifePlus Bangladesh Ltd is a one-stop digital healthcare platform offering a wide range of medical services including doctor appointments (both physical and telemedicine), home sample collection, diagnostic tests, foreign doctor consultations, surgical and lifestyle products, healthcare essentials, medicine home delivery, and comprehensive home care services such as nursing care, caregiver support, senior care, physiotherapy, injection administration, and babysitting. We also operate a 24/7 ambulance service and enable patients to conveniently book appointments with LABAID doctors, Apollo Clinic, Relience General and renal Hospitals and specialists from other renowned hospitals, as well as access lab tests from the comfort of their homes.

Our specialized InsuCare program is designed for corporate clients, streamlining healthcare and insurance benefits by offering seamless claims processing, cashless hospitalization, and priority access to our extensive network of partner hospitals. Through this initiative, we currently serve over 100 corporate organizations, providing them with direct healthcare access, diagnostics, and insurance-linked services.

We have successfully partnered with leading healthcare providers including LABAID Hospital, LABAID Cancer Hospital and Super Speciality Centre, Bangladesh Specialized Hospital, Apollo Clinic, Anwar Khan Modern Hospital and College, Medinova Medical Services, Central Hospital, Delta Hospital Ltd., Green Life Hospital and Medical College, Vision Eye Hospital, and many more.

We believe that a partnership between **Rani Food Industries Ltd.** and Lifeplus Bangladesh Ltd. will be mutually beneficial and significantly improve patient, client, and employee access to quality healthcare services. We look forward to your positive response and the opportunity to collaborate in advancing healthcare accessibility.

Sincerely,
Md. Al- Hasib
Head of Business
Lifeplus Bangladesh Ltd.
